The Chandlery	<a href="https://www.thechandleryonline.com">https://www.thechandleryonline.com</a>	367 Poulin Ave. Ottawa, Ontario, Canada K2B 5V2  Telephone: 613-820-7642	Not sure if you're interested in painting the bolear yourself - if so, the chandlery in ottawa is a great source for trailer parts and paint. I am about to paint my bolear (when it warms up a bit) and will be using interlux Toplac plus - message me if you want more info! Good luck.
