Overview

- Connect to the main faucet (does not include dedicated faucet)
- **2-in-1 Advanced Filtration:** Removes over 99.99% of contaminants while leaving in all essential minerals. Eliminates lead (99%), chlorine (99%), heavy metals, VOCs and much more. Also removes turbidity, odors and bad taste.
- **Economic & Eco Friendly:** Uses replaceable filter cartridge (FZ-2). Instead of luxuriously disposing of the entire plastic part, you only need to change the inside filter cartridge.
- **Auto Shut-off Design:** Quick change twist-in design makes it take less than 3 minutes to install the system. The filter cap is designed with built-in shut off valve. You don't even need to shut off the water supply when replacing the cartridge.
- **Fast Water Flow:** The flow rate can reach up to 2 GPM @ 60 psi. Can always fill up a 330ml cup of water in 3 seconds.
- **Great Compatibility:** Compatible with both 3/8" and 1/2" cold water tube. Extra two 3/8"-to-1/2" converters are provided in case of need.

Specifications

Manufacturer	Frizzlife
Part Number	MK99
Parcel Dimensions	35 x 14.3 x 14 cm; 1.9 Kilograms
Item model number	8541998827
Is Discontinued By Manufacturer	No
Size	5 inch Width, 13.5 inch Height
Colour	MK99 Under sink water filter
Style	MK99 under sink water filter
Material	PP, carbon, Lead removal filter cartridge, brass water hose, brass converter fitting
Flow Rate	2 Gallons Per Minute
Accessory Connection Type	3/8-inch or 1/2-inch
Included Components	Filter housing, hanging bracket, 2 in 1 compound filter cartridge, inlet and outlet brass water hose, 1/2" to 3/8" converter fittings
Batteries Included?	No
Batteries Required?	No
Item Weight	1.9 kg

Replacing the Filter

Twist main body and pull down

Using the wrench, twist off(counter clockwise) the top of the filter.
