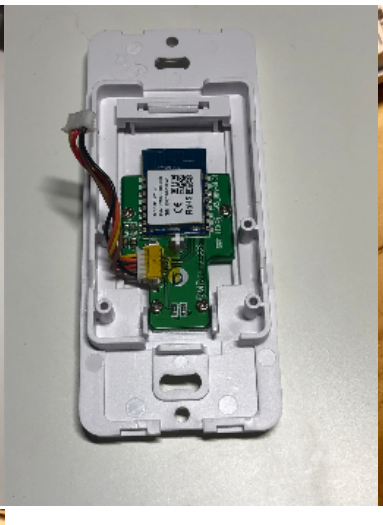
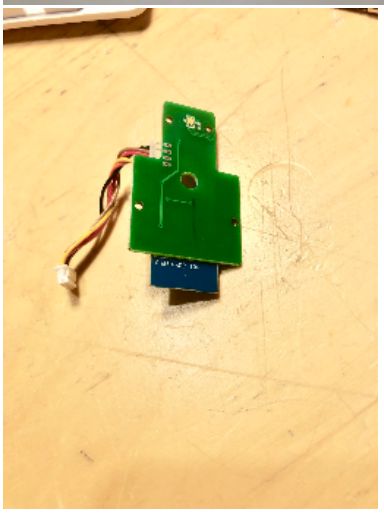
Treatlife SS01S Single Pole Smart Switch

Overview

Single-Pole / Non-dimming

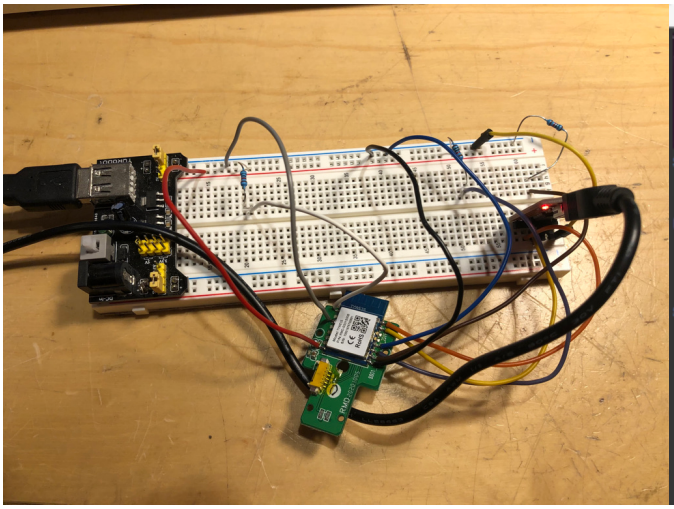
Pictures

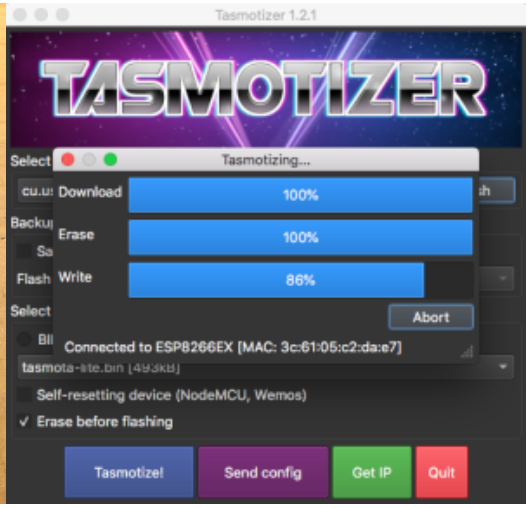




Flashing

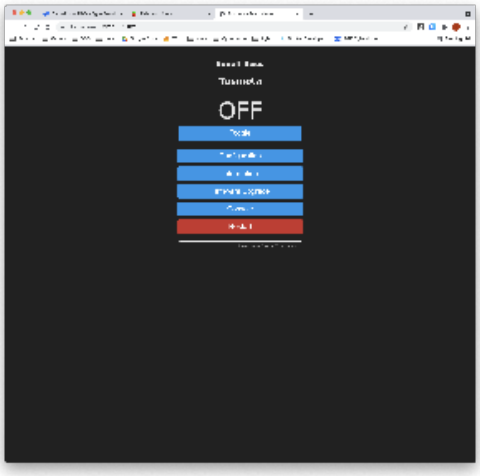
Flashing with Tuya Convert does not work. Flashed the chip directly using tasmotizer.

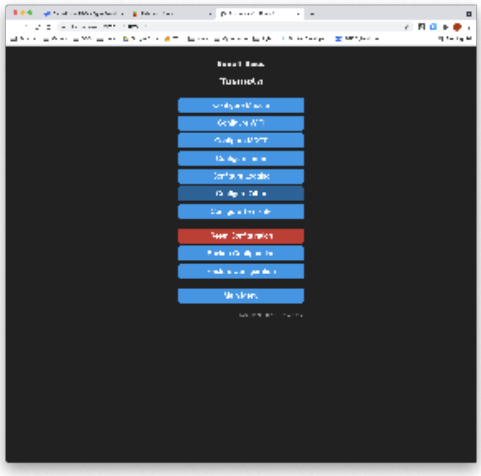




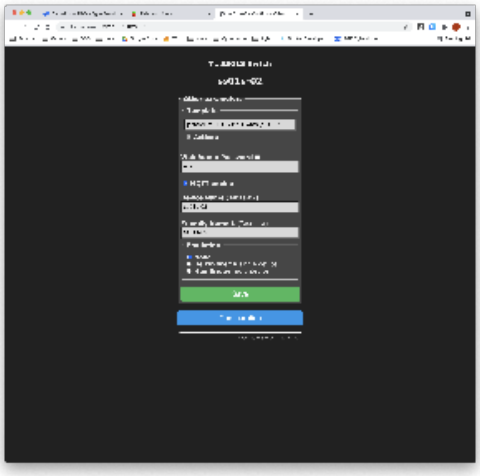
Firmware

Apply Template by navigating to Configure Configure Other.





From this screen, input the template into the template field and check the activate checkbox.



Template:

```
{"NAME":"TL SS01S Swtch","GPIO":[0,0,0,0,52,158,0,0,21,17,0,0,0],"FLAG":0,"BASE":18}
```
