Your home needs a printer that's fast, affordable, easy to use, and has great features. That's why we developed the EcoTank ET-2850 — an innovative cartridge-free solution that uses high-capacity, easily refillable ink tanks. So you'll worry less about running out of ink, and save a lot on replacement ink¹. The ET-2850 features outstanding print quality, auto-duplex printing, a high-resolution flatbed scanner, and convenient colour display — making it the perfect family printer.
